COMPLIANCE CLAUSE

"Bids are requested on the basis that if subsequent legislation shall require observance of minimum wages and/or maximum hours of employment and/or limitation as to age of employees, in the performance of Government contracts any contract entered into shall be subject to modification to accord with such statutory requirements to the extent authorized or required by law."

CONTRACT PROVISION FOR COMPLIANCE WITH A.A.A.

"The contractor shall comply with the provisions of any and all marketing agreements, licenses, and amendments to either, in effect on the date of the award of this contract or thereafter executed or issued by the Secretary of Agriculture under the Agricultural Adjustment Act or supplementary legislation applicable to any of the commodities to be furnished under this contract and to the contractor under the terms of such marketing agreements, licenses and amendments, regardless of whether the contractor is a party to any of such agreements or amendments thereto. The contractor shall not accept from a sub-contractor or supplier in the performance of this contract any of the commodities to be furnished under this contract, if the sub-contractor or supplier has not filed with the contractor a certificate of compliance in form as required by the contracting officer, or if the Secretary of Agriculture has determined that such sub-contractor or supplier is failing in the compliance to which he has certified and the contractor has been so notified in writing through the contracting officer. If the contractor violates or fails to comply with any of the foregoing requirements, the Government may, by written notice to the contractor, terminate the contractor's right to proceed with the deliveries under this contract and purchase in the open market or otherwise procure the undelivered portion of the commodity or commodities to be furnished, and the contractor and his surety shall be liable to the Government for any excess cost occasioned the Government thereby: PROVIDED, that the determination of the Secretary of Agriculture as to the failure of compliance by the contractor or subcontractor shall be final and conclusive upon the parties hereto: PROVIDED FURTHER, that if the cost to the contractor of the commodity or commodities to be procured hereunder shall be increased or decreased by any marketing agreement, license, or amendment to either, not in effect at the time the contract was made, then the purchase price to the Government of the commodity or commodities affected by such amendments or new agreement or license shall be increased or decreased accordingly: PROVIDED FURTHER, that the contractor shall, before final payment, furnish to the contracting officer satisfactory evidence of any such increase."

(ONLY BIDS CONTAINING SUCH CERTIFICATE SHALL BE CONSIDERED OR ACCEPTED.)

Unless otherwise specified by the bidder, it is understood and agreed that only such unmanufactured articles, materials, and supplies as have been mined or produced in the United States, and only such manufactured articles, materials, and supplies as have been manufactured in the United States from articles, materials, or supplies, mined, produced, or manufactured, as the case may be, in the United States shall be delivered pursuant to a contract awarded as a result of this bid.

SPECIFICATION:

Butter, light to medium salt, and light to medium color, in the aggregate amount of approximately 5,000,000 pounds. Class A butter to be fresh butter, not to have been in storage more than 30 days when inspected as herein provided. Class B butter to be storage butter that has been in storage more than 30 days when inspected as herein provided.

GENERAL:

The minimum quantity of butter to be offered under this schedule shall be 20,000 pounds.

GRADES:

The butter shall contain not less than 80 percent by weight of milk fat, all tolerances having been allowed for. It shall conform in every respect to the provisions of the Federal Food and Drugs Act of June 30, 1906, and amendments thereto, and to subsequent decisions of the United States Department of Agriculture, all as in effect on date bids on this schedule will be opened. The score of butter delivered shall be as bid except as hereinafter provided under "inspection", as established by the Bureau of Agricultural Economics. The butter may be either storage or fresh as bid. If storage butter is furnished, the original date of storage shall not be prior to May 1, 1935, at New York, Chicago and other Eastern points, and April 15, 1935, at San Francisco and other Western Coast points.

PACKING:

The butter shall be in the original containers, with approximately 68# to each cube, or 63# to each tub.

It shall be packed in sound packages, commercially known as butter tubs, or cubes, each properly paraffined and lined with vegetable parchment paper prior to the time butter is packed in them from the churn. The vegetable parchment paper shall weigh 30# to every 500 sheets of the size 24" x 36".

INSPECTION:

All invoices covering the delivery of butter under this schedule must be accompanied by an inspector's grading and weighing certificate of the Bureau of Agricultural Economics, Department of Agriculture. The cost of grading and weighing by the Bureau of Agricultural Economics shall be borne by the bidder.

Butter shall be of 92 score, 91 score, 90 score and 89 score, with no churning more than one point below the score bid and no churning on an 89 score bid to be below 89 score.

FRACTIONAL GRADING:

Any unit lot delivered on this schedule scoring less than 51/100ths of a point above a score shall be graded as of the next score below, and any lot scoring 51/100ths or more above a score shall be graded as of the next whole score above.

DELIVERY:

All butter accepted under this schedule shall be warehoused or shipped as the Agricultural Adjustment Administration may direct. The unit for warehousing or shipping shall be approximately 300 tubs or 300 cubes. The butter shall be invoiced by the successful bidder in units of approximately 300 tubs or cubes.

If the butter is warehoused, a negotiable receipt shall be attached to each unit invoice.

If butter is ordered shipped, the railroad receipt on Government Bill of Lading shall be attached to each unit invoiced.

Storage charges on but or cube butter shall be for the account of the Federal Surplus Relief Corporation from date of expiration of storage charges after inspection and acceptance.

Deliveries of fresh or storage butter on this schedule shall be in carlot units as specified. Such units shall consist, except in the case of deliveries of units consisting of two or more less-than-carlot shipments, of the entire carlot shipment as received or stored at the point at which delivery is made. The shipping documents (bill of lading and paid freight bill, or a warehouse certification thereof) on each carlot unit as received or stored shall be attached to the invoice. Bidders making deliveries of carlot units consisting of two or more less-than-carlot shipments as received or stored at the point at which delivery is made, shall certify that fact on the invoice covering the carlot unit delivered and state the stencil number and date of arrival of each less-than-carlot shipment comprising the unit delivered.

Each tub or cube shall bear a label approved by the Federal Surplus Relief Corporation showing the following printed information:

"NOT TO BE SOLD
Distributed by the Federal
Emergency Relief Administration

NOT TO BE SOLD

Unauthorized diversion of this property of the
United States Government is punishable by a fine
of \$5,000 to \$10,000 or imprisonment from five to
ten years, or both. (Criminal Code, Secs. 35 and 47)"

BASIS OF BIDS ON CLASS A - FRESH BUTTERAVERAGE WEEKLY QUOTATIONS AT NEW YORK, CHICAGO OR
